The screenshot displays the University of Minnesota Libraries website. At the top, the header includes the university's name, logo, and navigation links like 'myU', 'One Stop', 'Directories', and 'Search U of M'. A large 'WELCOME' banner features a photo of two students. Below this, the main content area is divided into several sections:

- SEARCH AND FIND:** Includes a search bar for 'MNCAT Plus' with a 'GO' button, and links to 'E-Journals' and 'Articles'.
- ARTICLES AND MORE:** Features an alphabetical index of databases (A-Z) and a 'Find articles' section with links to 'Select an index to search' and 'Select an index by subject'.
- I NEED TO FIND ...:** A grid of links categorized by type, including 'Archives and Special Collections', 'Libraries at the U of M', 'Reference Sources', 'Digital Collections', 'Videos', 'What I have checked out', 'Workshops', and 'More help and tips...'.
- SERVICES BY USER:** Lists services for different user groups: 'Undergraduate Virtual Library', 'Graduate Students', 'Faculty', 'Friends of the Library', 'University Administrators', 'Library Users with Disabilities', 'Visitors', and 'Alumni'.
- SERVICES BY TYPE:** Lists various library services: 'Renew/Recall', 'Interlibrary Loan', 'Libraries to U', 'Borrowing Privileges and Fines', 'Orientation and Instruction', 'InfoNOW (fee based document delivery)', 'Get It: Simplified book delivery', 'Workshops', and 'More services...'.

On the left side of the page, there is a sidebar with additional links:

- HAVE A QUESTION? ASK US!** with links for 'Email', 'Chat', 'Phone', and 'FAQ'.
- NEWS FROM THE LIBRARIES:** A list of recent news items, including workshops on creating posters, grant funding, and extreme googling.
- QUICK LINKS:** A list of frequently used links such as 'Your Account', 'Libraries Hours', 'RefWorks: Citation Manager', 'Employment Opportunities', 'University Digital Conservancy', 'Transforming Scholarly Communication', and 'Copyright Information'.
- COURSE SUPPORT:** Links to 'Assignment Calculator', 'CourseLib', 'Course Reserves', and 'UThink: U of M Blogs'.
- LIBRARIES:** A link to 'A-Z | M-Z'.
- For full access to content please login via x500:** with links for 'Login/Register'.

Still Silos?

The context web

- Site Web - Early web, focus on individual sites, lists, guides
- Search Web - Searching a network of websites, Google dominated
- Context Web - Search is not enough. We expect services to know about us.

Better?

- A site that noticeably includes librarian suggestions?
- A site that noticeably includes peer recommendations?
- A site that easily makes resources available
 - based on what it knows about you?
 - based on what you've explicitly saved?
- A site that makes resource recommendations based on what courses you are taking or teaching?
 - And knows what courses you are associated with?

What next?

- A site that is:
 - Contextual
 - Personalized
 - Customizable
 - Portable
 - Active
